Important Info

*Please DO NOT apply any GLITTER to your uniform or body. Glitter is very unsafe for competitors to use, as it can end up in their eyes when tumbling and stunting. You will be required to wash it off before competing, should you choose to apply it.

*NO fingernail polish or piercings of ANY kind can be worn on competition day.

*Etiquette~ Competitors should always be in Elite warm-up or uniform when at a competition. Proper shoes should be worn. This year we will be wearing our lime green gym theme shirts (dress code shirts) with our warm-ups! Please do not let "friends" run around in your competition warm-up/uniform.

*Parents!!! Be sure to purchase an ELITE shirt to wear at the competition as we support our kids! You are eligible to purchase the lime green shirts that match our competitors, as well as the registration shirts!! Please see a desk worker to purchase these. They are not in the pro-shop upstairs.

*Bring your spirit and come ready for a FUN day!! Please leave plenty of time to accommodate for traffic, find a parking spot, and meet up with our Elite family.

*TIP: Be sure to take the cell phone numbers of a few friends just in case of emergency!

*If you arrive at the competition to find that you have forgotten something on the checklist, please find someone whom you can borrow from. I do not recommend telling a coach! ☺

*As soon as the competition agenda becomes available, we will send out a mass email with OUR information. OUR information may be slightly different than what you see online...ALWAYS follow OUR information.
